

Policy for Spiritual, Moral, Social and Cultural Development

At Ursuline our aims for Spiritual and Moral, Social and Cultural development are:

- to build up a Christian community which develops the spiritual, emotional, intellectual and physical potential of each and every pupil in the happy, caring, supportive, family atmosphere of a Catholic School
- to develop an understanding of insights, principles, beliefs, attitudes and values which guide and motivate us - as a Catholic School we seek to promote the values of friendship, compassion and forgiveness
- to offer a wealth of experiences which enables a pupil to develop their understanding
- to develop opportunities for pupils to show that their insights, principles, beliefs, attitudes and values influence, inspire and guide them in life
- to develop an understanding of moral behaviour in line with our Mission Statement which enables pupils to live out Christ's commandment to love one another in many ways such as forgiveness, freedom, tolerance, respect and relationships

We aim to enhance the children's spiritual, moral and cultural development through:

- the delivery of 'Come and See' and celebration of feasts and seasons within the Christian calendar and that of other faiths and cultures
- the Mission Statement, PHSE, Achievement Assemblies, reinforcing positive behaviour - we will help the pupils to develop a respect for themselves and others
- engendering a sense of empathy with others through Circle Time, links with other schools in the developing world (Waterloo Partnership - Sierre Leone) and through fund raising eg CAFOD
- creating an environment of trust, care and compassion
- enriching the children's understanding by providing opportunities for reflection on all aspects of school life
- enhancing the pupils' appreciation for beauty, truth, love, goodness and wonder in our delivery of the curriculum as a whole in our Catholic school where, as a staff, we seek to support one another in this goal
- seeking to help the pupils to understand how the impact of their feelings and emotions affects their behaviour and impacts on the feelings and emotions of others

- the Behaviour Policy and Anti Bullying Policy which provide a clear moral code that is promoted consistently throughout the school and is reinforced through our School Code of Conduct and Playground behaviour
- our Mission Statement which encourages the wider school community to be inclusive and to promote measures to prevent discrimination on the basis of race, disability, religion, gender, sexual orientation, age and other criteria
- celebrating the uniqueness of each individual and tailoring the learning and teaching environment to enable all to achieve their full potential and engender within them the importance of equality of opportunity for all
- praise and reward for good behaviour and acts of kindness
- assemblies and acts of worship which provide models of moral virtue through gospel readings, the message of which is explored with the children, stories about significant role models to inspire the children and stories with a strong moral theme
- reinforcing the school's values through images, posters, exhibitions and classroom displays
